Sustainability Presentations Day

Thursday, July 26, 2007
Beckman Auditorium on the Harvey Mudd College Campus

A sustainability research team, consisting of ~15 students and ~10 faculty from across the Claremont Colleges, will present the findings of their campus sustainability audits. The team consulted with and received support from the Directors of Facilities at all of the Colleges. The team will offer recommendations to move the Colleges toward sustainability in their operations and physical infrastructure.

9:30 am to 10:30 am  **First Session:**
Welcome: Robert Cave, HMC Dean of Faculty
           Richard Haskell, HMC Professor of Physics
Presentation 1: An Introduction to Environmental Sustainability at the Claremont Colleges
Presentation 2: It’s Not Easy Being Green! Building Performance at the Claremont Colleges

10:30 am to 11 am  **Break**

11 am to noon  **Second Session:**
Presentation 3: Big Ticket Item! Electrical Power Consumption at the Claremont Colleges
Presentation 4: The Triple Bottom Line! Water and Landscaping at the Claremont Colleges
Presentation 5: Urban Ecosystem Analysis: The Claremont Colleges Sustainability Initiative

noon to 1:30 pm  **Luncheon in the Aviation Room of Hoch-Shanahan Dining Commons**

1:30 pm to 2:30 pm  **Third Session:**
Presentation 6: All That We Can’t Leave Behind! Emissions, Waste, and Recycling at the Claremont Colleges
Presentation 7: Greening the Offices of the Claremont Colleges
Presentation 8: Where Do We Go Now? Conservation, Participation, and Final Recommendations
The Sustainability Team

Naomi Bagdonas (CMC ’09)
Lauryn Baranowski (HMC ’09)
Michael Blouin (Pomona ’08)
Sam Brunswick (CMC ’07)
Annika Eberle (HMC ’09)
Rose Haag (Pomona ’10)
Kelley Hodges (HMC ’09)
Herbie Huff (HMC ’07)
Hunter Jackson (CMC ’10)
Trevin Murakami (HMC ’09)
Claire O’Hanlon (HMC ’09)
Eric Peterson (HMC ’09)
Corina Tom (HMC ’08)
Daniel Zucker (Pomona ’10)

The team gratefully acknowledges funding from (chronologically):

HMC Center for Environmental Studies
Mellon Environmental Research Fellows Program
(administered by the Joint Sciences Dept.)
HMC Shanahan Fund
Council of Presidents Sustainability Initiative*

* The Council of Presidents Sustainability Initiative made three separate awards to:
  • Brian Hilton (CGU) and colleagues
  • Richard Hazlett (Pomona) and students Blouin, Jackson, and Zucker
  • Richard Haskell (HMC) and the remaining students on the sustainability team.
